MOHAWK NATION OF GRAND RIVER SECRETARIAT

Certificate of the record

The National Books
POS001-261028-000021 · version 1 · A draft — not yet for use

WHAT IT IS

The set on its shelves, each shelf named; which book to read for who you are; how a book is cited and checked by its Mohawk Publication Number and its fingerprint; and the posters that go with the books. On the web the shelves fill, a tap on any spine gives the book's line and opens it on the Register, and a tap on a reader finds their books.

Its date	2026-10-27al
Made by	Mohawk's Printer for Grand River
Their qualifications	Drawn by Mohawk's Printer for Grand River from the National Books' own data; Book 00, The Reader's Guide shows it on a page of its own.
Their duty	Not recorded.
Its standing as a survey	This is the Nation's determination, made from the sources named; it is not a survey under the Surveyors Act, and was not prepared by a licensed surveyor.
Datum and projection	Not a map; the Three Villages' inset keeps the land map's datum (NAD83 / UTM zone 17N).
Scale	
Its certificate	

HOW IT WAS MADE

An illustration, drawn from the sources below; printed in A3 landscape (420 × 297 mm), with A2 and A1 print files, 3 mm bleed and crop marks.

HOW SURELY

An illustration, not a survey: the figures stand for no particular family. The Three Villages' inset is the Register's own land map, drawn from its layers.

A poster: it teaches, and does not decide. The record of any person's line is the Register's.

HOW A BOOK IS CITED AND CHECKED

Every book has one number. Its Mohawk Publication Number, in the Nation's own three blocks, on page 2 and on its page at the Register. The ISBN of a printed edition sits beside it.

Every edition has a fingerprint. Its SHA-256 hash, on page 2 and on the Nation's Ledger. A copy that differs is not the published edition.

To cite a book: its title, the edition, Mohawk Nation of Grand River Secretariat, the year, and its number.

Every book shares the same parts: a page 2 that names its edition, its number and its posters; worked examples; the standards it follows; how it compares with the world's leaders; and the questions an expert or a critic would ask, answered.

All of them are at mohawkuniversity.org/Register/national-books/, each with its number and its fingerprint, to read and to download.
