MOHAWK NATION OF GRAND RIVER SECRETARIAT

# Certificate of the record

The So-Called Reserves
**POS001-261030-000005** · version 1 · A draft — not yet for use

## WHAT IT IS

The title, measured: the Grand below Brantford on the Nation’s own map, the Tract six miles from each bank and the six-mile line graded by its evidence, with the Six Nations and New Credit reserves each split into the part inside the Tract and the part outside it; why a reserve, which needs the Crown’s title, can lie only outside; and the acres of each. The web edition reads each part at a tap and can show only what could be a reserve; three roads walk out from 1784, the Patent is signed before your eyes by the Crown alone, and the Tract shrinks on paper square by square.

## HOW IT WAS MADE

An illustration, drawn from the sources below; printed in A3 landscape (420 × 297 mm), with A2 and A1 print files, 3 mm bleed and crop marks.

## HOW SURELY

An illustration, not a survey: the figures stand for no particular family. The Three Villages’ inset is the Register’s own land map, drawn from its layers.

A poster: it teaches, and does not decide. The record of any person’s line is the Register’s.
