MOHAWK NATION OF GRAND RIVER SECRETARIAT

Certificate of the record

Dawn of Day
POS001-261030-000007 · version 1 · A draft — not yet for use

WHAT IT IS

The day the Prince of Wales was made a chief: Victoria Park on 20 October 1919, drawn after the photograph, the chief at the table signing the council roll and the Prince standing under the canopy with Percy Wood’s Brant Memorial behind; the day and the line of days in eight lines; the royal visits from 1860 to 2010 on one line; and the Nation’s reading, that the Crown’s family has come face to face, the reason it deals with the King directly. The web edition brings the day up over the park and reads each visit at a tap.

HOW SURELY

A poster: it teaches, and does not decide. The record of any person’s line is the Register’s.
